

The Best Christmas Gift

The Christmas season is here—Gift giving—is the order of the day.

The American Chamber of Commerce of the Philippines can truly be said to have the finest gift of all—a gift of some 300 new members during this year—a gift of renewed co-operation between members of the American Chamber—a gift of good-will which the Americans bear and receive in this community and in this nation.

Of course we are proud of our new quarters, where Americans gather together and come to know each other, learn of each other—in their problems—their successes—their opinions.

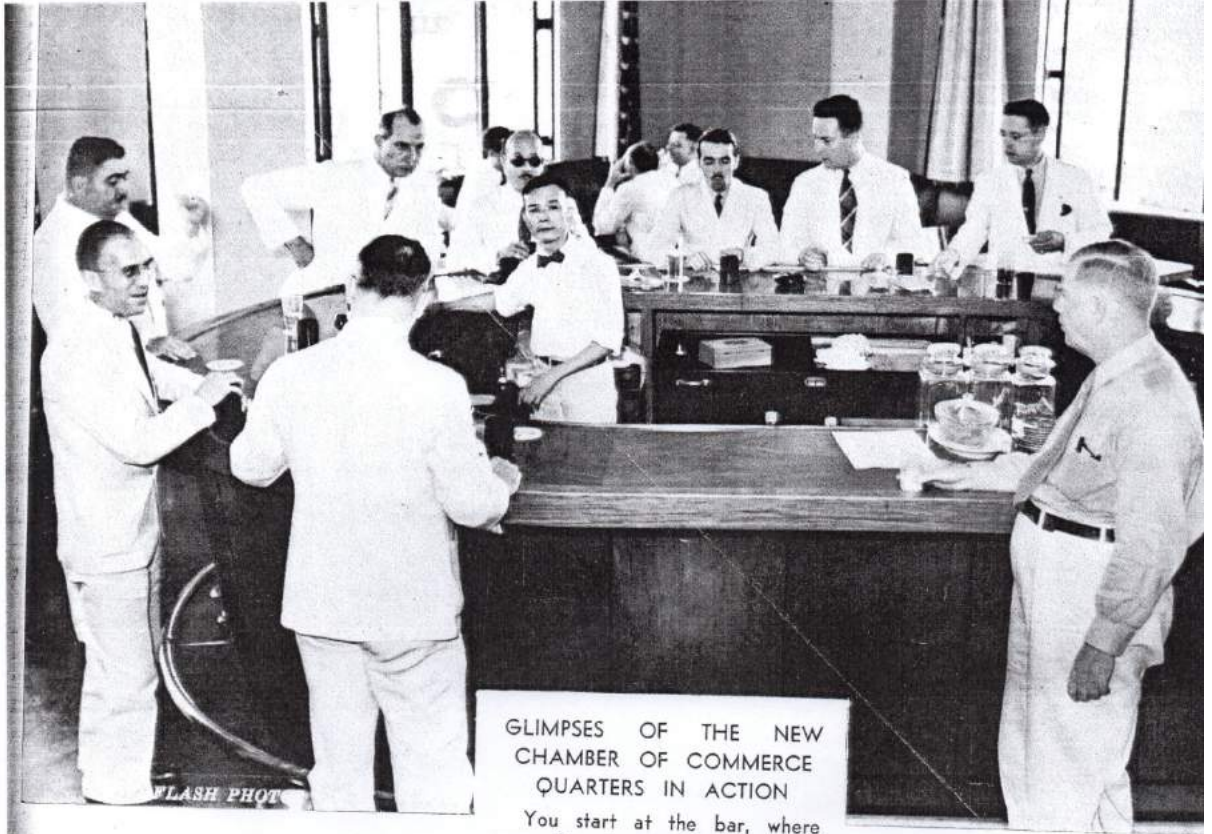

The American Chamber of Commerce of the Philippines offers at this time a splendid opportunity for service as well as being a most advantageous connection. Every American who gains his livelihood in the Philippines should join whether a "New-comer" or "Old-timer". It is all the same.

The American Chamber of Commerce of the Philippines welcomes every eligible American.

GLIMPSES OF THE NEW
CHAMBER OF COMMERCE
QUARTERS IN ACTION

You start at the bar, where everything is new except Wong, the perennial Chinese bartender. You have lunch in the dining room with cool breezes to make a coat comfortable.

You wander into the reading room, find a magazine, and relax after a satisfying meal.

Not for you—this is the ladies' rest room, something entirely new which should prove popular with the fair sex.
